Race Preview: Snowblade outran market expectations on debut and will have benefitted from that experience. With natural improvement expected, he will be hard to beat. Mfulathela has shown enough to make his presence felt, though a bigger threat to the selection will likely come from one of the newcomers. Bisou Bisou and Rivera are of particular interest and warrant respect before any market clues.

Race Preview: Master's Lady is overdue and likely to play another leading role but could be vulnerable to unexposed rivals. Miss River Dancer has the form and experience to make the presence felt too. Newcomers Apparition and Minerva Fae won't have to be special to run forward races on debut so betting support would be significant.

			10 Kwaito 1:00.83

Race Preview: Kwaito was a well-beaten 3rd on debut over track and trip behind a subsequent Grade 1 winner and the strength of that form could be good enough in this lineup, especially with natural improvement on the cards. Isaac Stephan and Echoes Of War have shown enough to pose a threat to the youngster. Well-related Evening Parade complete the shortlist.

Race Preview: Be All You Can Be was touched off on debut over this trip by a more experienced rival and she won't have to improve much, if at all, to go one better. Master Smoker fits a similar profile and will likely fight out the finish. Jimmy Vega and Sutter's Mill also have the means to get involved.

	3 Hotarubi 17%		5 Mo Ment 2:31.96

Race Preview: Bellerophon won over this trip under a big weight at a slightly lower level last time so a class rise under a 4-point penalty, with the aid of his rider's 1.5kg allowance, is unlikely to prevent another bold showing. Poets Warrior had excuses for a disappointing last start. He is unbeaten over track and trip so could bounce back to pose a threat. Breeze Over is proven stayer, could get into the picture along with Deception Pass who is dangerous to dismiss trying the trip for the first time.

Race Preview: Korcula was desperately unlucky not to open her account last time out. She was subsequently rested and switched stables so is good value to make a winning start for new connections. Gimmesumluv and Nicolson Landing are those most likely to expose any chinks in the selection's armour. Heavenly Lace also has the mean to stake a claim.

Race Preview: Sosoru was only narrowly denied in his hat-trick bid in a similar contest over 1000m and a 4-point rise for that last-start 2nd might not be enough to prevent him from resuming winning ways. Last-start winner Captain Selvie, course-and-distance specialist Vibe Sa, and recent course and distance second Max The Magician should be competitive on current form.
