Race Preview: Fyfield Legend has been runner-up in six of his last seven starts. He deserves a winning turn and could like this longer distance. Silva Streaker showed improvement on the Polytrack and could be a threat to these rivals. Trickle Charge is likely to improve after a modest debut and does have Richard Fourie aboard. Weekend In Aspen makes a debut but could need this run.

Race Preview: Cruise Control has won 5 from 7 over this particular course and distance so sets the standard. Fairy Knight is lethal over a bit further than this but would not be a surprise winner. Anuschka's World is hat-trick seeking after some game wins and will not go down easily. Cliff Top has been at his very best on the Polytrack so his connections will be hoping for a switch to that surface.

Race Preview: Zinovi continues with his impressive form and has now won 6 of his last 8 starts. He was solid again on the Polytrack last time out but is just as good on the turf and should prove hard to beat. Zatara Magic has ability but is returning from a break and is better over a bit further than this. Lanciafiamme has a victory over Zinovi but that was on a soft track and he has a few losses to that rival as well. Mr Fox showed improvement last time out and can contest the finish.

Jockey Craig Zackey was aboard **Master Mtoto** for both of those wins and he did not ride him last time out so it should at least be interesting to see who gets the success this time. **First Officer** is consistent but does usually finish behind both those rivals. **Ventura Boulevard** was a wide margin winner on debut but did not repeat it when trying Group 1 company last time out.
