Race Preview: Moana improved significantly to run out a wide-margin winner stepped up to this trip last time and even under top weight will be hard to beat on the evidence of that performance. Winter Voice was a similarly impressive winner of her last start over track and trip and can trouble the selection from whom she receives 3.5kg. Newcomer Savvy Triumph is worth a market check on debut and has to be respected if attracting betting support.

Race Preview: Korcula ran on from a hopeless position to finish a close-up 3rd over 1400m in her first outing for the Fanie Bronkhorst stable and on the evidence of that performance this extended trip should be more to her liking. Flying World, runner-up in consecutive (both) starts over 1600m, would not be winning out of turn. Highveld newcomer Be All You Can Be can get into the picture. However, a bigger threat is likely to come from well-bred 2yo Feast Of Berries who was 2nd over course and distance last time out.

Race Preview: What A Warrior was a good 2nd in a minor feature over 1400m last time and sets the standard on his earlier form over this distance. Trojan Horse ran on well to finish an eye-catching 3rd on debut over 1400m and could, with the benefit of that experience, improve to pose a threat in receipt of 3kg. Newcomer Red Sangria is bred to be useful so betting support would speak volumes of his chances on debut. Experienced Lone Horizon complete

Race Preview: Instant Attraction beat male opposition over 2000m at a higher level before finishing 3rd under a penalty last time over track and trip from the widest draw, so a repeat of that performance dropped into this grade off an unchanged mark could suffice. Apostrophe is held on that form but weighted to pose more of a threat on these terms. Hopscotch caught the eye last time when tried in this headgear configuration and could get into the mix if building on that improvement. Itsnownever is capable of getting involved.

Race Preview: Consistent Knowmore was returning from a layoff when finishing 2nd over track and trip last time, so he should strip fitter and improve to play a leading role. Youngster Duke Of Lorraine caught the eye with a fast-finishing 4th on debut (1400m) and with natural improvement could have the edge from a favourable inside gate. Highway Code and Cover Charge have the form and experience to also make their presence felt.

Prince Of Kildare, Orange County and hattrick-seeking Boundless Love have better form over shorter distances but warrant respect stretching out to this trip.

Antonio Gaudi and Turbo Power are hard-knockers with solid form credentials at this level so won't go down without a fight. Race Preview: Fostinovo blotted his copybook last time in KZN but a subsequent break and return to the Highveld would have served him well. He is course-and-distance suited so is taken atone on his reappearance, even under top weight. Satyagraha and recent course-and-distance winner Legendary could make their presence felt but have wide draws to negotiate, so a bigger threat will likely come from consistent hard-knocker Unsolved Riddle. The latter's form, draw and rider allowance should see him play a leading role.
