**Race Preview:** Omkhulu Boss takes to the poly track for the first time but has been improving all the while. Molten Rock has been consistently placed in her last three starts and the switch to poly track could bring out the best. Nautical Fire made a smart debut at lengthy odds. He gets 1.5kg relief from the saddle and any improvement can see him close. Free Roaming found some market support first up on the poly track but was a well beaten fourth. The stable has come to hand.

**Race Preview:** The Swan Song showed up well on debut first up on the poly track. He is likely to come on from that effort. Donmagoo has been knocking on the door of late and although he has the widest draw he should feature in this line-up. Owner Of Creation is a battling maiden but his best recent form has been on the poly track. With a 4kg claimer up he can finally break his duck. Queen Of Denmark was not too far back on debut starting at long odds and can run into the money.

**Race Preview:** The filly **Ayzal** steps up to a mile at just her third start and makes her poly track debut. The trip should suit and she only has 49kg to shoulder. **Golden Diogo** was not far back at just his second start and he can still improve on that effort. **Green Commander** has been a beaten favourite at his last two on the poly track. He was just behind **Golden Diogo** when last they met but the latter should have some improvement to come. **Fort Usher** steps up in trip after making a fair debut. He is one to watch in the betting.

**Race Preview:** City Of Love makes his poly track debut but has been consistent over shorter and the step up in trip could see him home. Powerandtheglogy has a big weight but was narrowly beaten over course and distance last time out. He will be a big runner. Maphaka also steps up in trip, he has a handy weight and cannot be written off. Golden Rule has the widest draw to contend with but his best recent effort has been over course and distance although well beaten.

**Race Preview:** Last Margarita has won her last two on the poly track and only has 49.5kg to shoulder. A third win is on the cards although she does take on much stronger. Mystic Dancer was touched off in a tight finish last time out. She goes well on the poly track and the extra furlong should not trouble her. Miss Ladyaterix takes a big drop in class and although she has a fair weight to shoulder, she does have the best of the draw. La Landonne was a beaten favourite over course and distance last time out. She is never far off and should feature prominently.

**Race Preview:** Billy Cool has been rested since November last year but horses from this stable has been in red hot form since arriving in KwaZulu-Natal and has a master trainer at the helm. Summer Winter has run two smart races on the poly track and goes well this trip. Mojo Man is back on his preferred surface and although shouldering a big weight he should be competitive. Chara Sands looks held at the weights by Summer Winter but goes well this course and distance and has found his best form of late.
