Race Preview: Forthegoodtimes was not friendly in the market on debut and finished a close-up third over course and distance. She should come on from that showing. **Pink Skies** has improved with every outing and has taken on colts at her last two and not far behind. Back to a sprint she should feature prominently. **Sweet Cherry** found some market support on debut and was not far behind the Sweet Green. She should come on from that with a claiming apprentice aboard. **Iceberg Rose** has been a beaten favourite at her last two and narrowly beaten on this course last run. She should be competitive.

Race Preview: Gimme The Power is seldom far back and surprisingly still a maiden. She is back to a sprint with Keagan de Melo staying aboard and she should crack the ice. **Floral Kingdom** is lightly raced but has shown up well in recent outings. She was a beaten favourite last run and the switch back to turf could be in her favour. **Rustige Kracht** was a distant fourth on debut and can improve. **Umayawokubambelela** is an Australian import making her debut and should be one to watch.

Race Preview: Future Prospect is a lightly raced five-year-old. Never too far back she caught the eye on this course last run when a close-up third. **After The Fire** has improved in blinkers and stepping up in trip. This is not a strong field and she should feature prominently. **Guild The Lilly** improved last run over a sprint and now jumps in trip that on pedigree should suit. **Jenny Darling** showed some improvement when stepped up in trip last run on the poly. She could surprise.

Race Preview: Golden Angel played second fiddle to stable companion Sesame last time out. However, **Golden Angel** is 6.5 kg better off and should easily turn the tables. **Hurricane Flight** has been coming to hand slowly. She found some market support last run and has another handy weight. **Our Lady Fate** has made some recent improvement in blinkers and must be factored in.

Race Preview: Buddy Boy was run out of it late over course and distance last time out. He has improved in blinkers and should put in a bold claim. **Double Causeway** is the dark horse but obviously has issues. He has had a lengthy break but started favourite against stronger first time out of the maidens finishing with only one behind. He is still a colt but obviously has shown something on the home gallops. **Song To The Moon** has had one outing since arriving for the winter season. He has a fair weight but also the best of the draw. **Blizzardboy** has been placed in all three starts since shedding his maiden. He has a fair weight but should be competitive.

Race Preview: Captain's Pride was not far back from a wide draw on the poly track last time out. This trip suits and from a favourable draw she should be competitive. Izibulo showed some improvement in blinkers last run over shorter and should prefer the extra. Alltheboysiveloved has had two outings since arriving from the Cape. She was much improved without a tongue-tie last start and must have a strong chance. Blue Poppy is seldom far back and course and distance suited.

Race Preview: Cappellino has been knocking on the door for some time now but all recent form has been on the poly track which is a concern. He is 2.5kg better off with veteran Trafalgar Square who has also been consistent and should put in another forward showing. Bless Me Fred is over his best course and distance and is the pick of the stable rider Rachel Venniker and could surprise. Champagne Mac showed up well first run for his new stable and although struggling for his second win, he has been consistent over the trip.

Race Preview: Billy Cool was a comfortable winner on the poly track last time out but had some fair Cape form prior to that. He did get a punishing six-point raise in the handicap which is a concern. Caribbean Gold takes on males but was narrowly beaten over course and distance last time out with a first time tongue-tie. Blazing Fury is holding form well but does have a big weight. He could prove to be the pick of the Louis Goosen runners. Cavalry Commander was a beaten favourite last run but goes well on this course which is always a plus.
