6 Interstellar			9 Predator's Crown 1:11.92
			2 Guild The Lilly 1:15.49

Race Preview: Predator's Crown has the widest draw but has put up two smart efforts to date and has run on the poly track. Blazing Belle may just have needed her last run after a lengthy break. Both her starts have been in the soft so the poly track should suit. Yeah Baby was at long odds when make her debut on the poly track but was not far back. She should come on lengths from that first run. Interstellar makes her debut and is one to watch in the market.

Race Preview: Dancing In Demark has good poly track form and has a light weight. She should feature prominently. Treasure Island is never far back and the drop in trip on the poly track could see her home. Gold Gold Baby was close-up in her poly track debut and now gets first time blinkers. Blue Poppy was narrowly beaten first up on the poly track and has been consistent since. Another in with a strong winning chance.

Race Preview: Princess Trippi has been knocking on the door for some time now. She goes well this course and distance and is the one to beat. Chooks Kiss is seldom far off the winner and goes well on the poly track. She has a good draw to help her cause. Chihiro may just have needed her last run when making her poly track debut. She must have a strong chance if improving on that effort. Lady Regal was much improved last run when starting at long odds. She may be coming to hand.

Race Preview: Ebisu was an easy winner first up on the poly track and the form has held up. The extra furlong should not trouble her but she did get a seven-pound raise in the handicap. She is progressive and can deny the handicap. The year older Golden Angel was a beaten favourite last run but has been in good form on the poly track. She gets 4.5kg from Ebisu so there is a lot on her favour. Sesame was well beaten by Ebisu last time out but now gets a 4kg claimer aboard and is now 7kg better off for a seven-length beating. Another Dream has been up against stronger of late and showed signs of a return to form last run.

Run To Rio was a beaten favourite last run but finished close-up in third. Pleasedtoseeyou is relatively lightly raced and was a beaten favourite over course and distance last time out. Navajo Dancer is up in class but goes well on the poly track and has a light weight.

Race Preview: Meerkat Moon has the best of the draw and has improved in blinkers. He was narrowly beaten over course and distance last time out. Sail To The Moon goes well on the poly track and has been knocking at the door. William Of Orange has shown up well in two post maiden efforts on the poly track. He has drawn well and the stable is in form. Music Is Life has the widest draw but ran a cracker under an inexperience apprentice last start. He is seldom far back.

Race Preview: Bangkok Magic is a two-year-old taking on older horses but won well second time out. He does face stronger but shed his maiden with authority. **Seven No Trump** makes his local debut on the poly track but boasts some useful Cape form over the trip and is one to watch in the betting. **United Nation** is a poly track specialist but does appear to be tested over this trip. **Red Bomber** has started favourite at his last two but has been close-up in both. He should be right there again.

Race Preview: Victor Rail goes well over course and distance and was less than two lengths back to **Bless Me Fred** when last they met. He is now 7kg better off taking the apprentice claim into account. **Cappellino** has good form over course and distance and was a close-up second to **Bless Me Fred** last time out and is now 1.5kg better off so the tables should be turned. One can never write of **Trafalgar Square** who has been consistent under big weights and should be competitive again.
