Race Preview: Molten Rock is improving and is ready to score. She should win this if she does not win on 12 July at HWB Greyville. Erik's Girl is only modest but she can earn some money in a race of this nature. Jack's Legacy makes her debut but would not be a surprise winner on her home track. Her stable companion Young General did not show much on debut but is likely to be a lot smarter this time.

Empress Of Peace has improved with the aid of blinkers and will be a threat. Trex On Fire has some fair form and could make the frame. Up And Up has not been reliable but is capable of scoring.

Race Preview: Midnight Show showed improvement with blinkers and the step up in distance. He can go one place better. Jimmy Vega is improving and should be a real threat yet again. Kovil attracted betting support last time out and was not beaten too far so could make the frame with improvement likely. Putthelightsout was an expensive failure earlier this month but can go better here.
