Race Preview: Eternal Spirit is clearly better than she showed last time. From pole position she should get the run of the race. Nobody's Perfect should like this longer distance and can score. Roses For Trex was a disappointment on the Polytrack. Seattle Glow should like this track and trip and can earn some money.

Champagne Blaze seem better than recent Polytrack performances. Gimmethgold has done enough of late, can get involved with finish.

Race Preview: All Systems Go returns from a break but is the class horse of the race and can resume his winning ways back on his home track. Ventura Boulevard was a wide margin maiden winner on debut. She did not repeat that when trying a Grade 1 race after that but would not be a surprise winner. Can You Danse has it all to do at these weights but could improve. Rip Wheeler is fit but this is a tougher task.
