Responded well from back half to get the prize this track over today's trip. Warrants attention. Behaviour On a short back-up. Knuckled down strongly from back half to salute in the 3yo+ (Bm74) Benchmark 74 1100m at Caulfield Heath. Up in weight for that win but doubt that will be enough to prevent another bold performance. Piastri On a short back-up. Won (Bm88) Flemington 18 Jul. Run down in the shadows in soft going at Caulfield Heath. Drawn to effect. Has claims.

Race Preview: **First Chorus** On a quick back-up. Absolutely flying and has a picket fence form line. Wore them down late at Caulfield Heath last week. Can certainly repeat the dose here. **Light Infantry Man** Resuming (18-weeks). High class galloper. Generally competitive fresh & has had 2 trials ahead of return. Set to play a leading role fresh. **Darkbonee** Made late and solid headway into the placings at Flemington. Unbeaten second-up. Each way claims. **Machine Gun Gracie** Resuming (18-weeks). Showed she has a touch of class at her last prep winning a G3 prior to not running out the 2 miles of Sydney Cup. Has jumped out nicely. One of the chances fresh.
