Race Preview: Barry's Boy has put in two smart efforts on the poly and can deny the handicappers carrying a fair weight in this Open Maiden. Donmagoo is a poly specialist and seldom far behind. He got a two-point relief after his last race and should put in another good shift. Cartel Queen has shown her best recent form on the poly and with a 2.5kg claimer aboard she only shoulders 51.5 kg which will make her dangerous. Task Force carries top weight but was a good second on the poly last run. He is lightly raced and can still improve.

He boasts some fair Cape form and if taking to the poly he will be a contender. Whisky Soul is a well-bred first timer and one to watch in the betting. Nautical Fire looks held by Mustang Highway on their last meeting but both are lightly raced and should improve further.

It can be tough for recently turned three-year-olds at this time of the year but she does not face a strong field. Dee Day has her first run for a new stable. She is a long-time battler but the change of routine could see her up her game. Brightsunnday is a lightly raced five-year-old. Her last run is best ignored and she has the best of the draw.

Race Preview: Bangkok Magic looks progressive and showed up well first run out of the maidens. He goes well on the poly and should run another good race. Omkhulu Boss makes his poly debut but had come on nicely before shedding his maiden. He also looks progressive. She's A Machine seldom puts in a bad effort and can feature in this line-up. Sky Rocket makes his local debut first up on the poly. He is lightly raced and the change of surface could bring out better.

Race Preview: Heaven's Will goes well on the poly. He has been trying a furlong further at recent starts but has the benefit of a 2.5kg claimer which could see him home. Master Silvano has shown his best recent form over the course and distance. He is 2.5kg better off with Kaapse Klopse on their last meeting and should be able to turn the tables from the best of the draw. Indecent Proposal is back on his preferred surface and has useful form over course and distance.

Race Preview: Blazing Fury won well last run under a big weight. He got a four-point penalty for that win and now steps up in class. However, he does look capable of following up. Kalahari Roller has been in solid form of late and goes well over course and distance. He met stronger at his last two and can feature off a light weight. Kythera has run two smart races on the poly. She is up in class but has a handy weight and rates a strong chance. Mighty Zambezi has been much improved with cheek pieces and on the poly. Also up in class but with a handy weight.

Race Preview: Please Be True won well first run on the poly starting at cramped odds. He got a four-point raise in the handicap but De Melo stays with the ride and they can follow up. Sundance Kid is a course and distance specialist. He was well beaten behind Please Be True last time out but had the worst of the draw. He is now 3kg better off and can turn the tables. Royal Sword is way better than his last run. His previous poly form was solid and at best will go close. African Dusk has been consistent of late and with his light weight can finish in the money.

Race Preview: Red Coral is down in trip but goes very well on the poly and could prove difficult to beat in this line-up. Oklahoma Girl started favourite when taking on stronger last time out. Down in class she should be among the leading contenders. Autumn Rush made no show from a wide draw on her poly debut. She was a recent Cape Open Maiden winner and can do better here. Poursomesugaronme is always dangerous. She has a fair weight to shoulder but goes well over course and distance and is seldom far back.
