Race Preview: Sarabi Really tough watch resuming when he should have won the race. Big step up in distance, but gets L Fiore, and has scope. Include. Gaintree Bravely fended off all challengers to narrowly prevail this course when resuming. 2kg penalty now, but she has upside. Rogue Ruler Promising 3yo. Stationed handy, tried hard but winner was simply too good this venue at second start. Drawn to effect. Right in this. Properata Very honest gelding racing well. Trying 1400m for the 1st time, but if he can find a slot, should go close.

Race Preview: So Si God Excuses offered when returning from a spell. Talented mare likely to bounce back up to a better distance. Gold Flakes On a short back-up. Forgive last start when ridden against her normal pattern. Can map beautifully here. Likely improver. Espresso Time Has returned a rejuvenated galloper. Delivered in dominant style this course over today's trip. Can step up here. Fantaxtic Went home just tamely this course at \$13. Now 3rd-up and they have gone for the blinkers, tongue tie & H Nottle. Place.

Race Preview: Mind Field Let-up (66-days). Deep Field gelding with some nice upside. Made good strides last prep, and terrific trial win recently. Respect here. God's Gate Backing up quickly. Poised to win last start, but the gaps didn't open when required. With even luck should go close here. Truly Loyal Justified the market support with a strong maiden win when resuming. Lightly-raced 4yo has more wins in store, but may need a bit further. Cannykev Wasn't beaten far this course first run back. 2nd-up record is far superior. Just needs to run the 1200m right out.

Race Preview: Swingman Knuckled down for the fight but claimed late this venue second-up. Should be peaking now. Two gear changes. In the mix. Niccimota Extraordinary record with all 23 career runs over this distance. Last two runs very commendable, and should threaten again from ideal gate. Devine Belief Resuming (39-weeks). Distance specialist, and has a good fresh record. Trial was ok. Plenty of weight however. Go with the market. Pond Master Resuming (12-weeks). Just couldn't find his form last campaign. Ok trial recently, and gets W Pike on board. Merits consideration.

Another galloper who didn't enjoy much luck in the Main Act race. Back to a mile helps. Can improve. Cosmic Gem Impressive when slipped to a 2.9 length victory this venue. Weather forecast looks helpful. Up in grade & sticky gate, but has upside. Streak Of God Winkers on & blinkers off did the trick at Belmont last start. Harder race here, but he does look to have more wins in him. Respect.

Refemme No Angel Total forgive last run. Previous form was very solid. Expecting him to bounce back here at his favoured 1400m. Searchin' Times Should have finished closer last start when unable to find clear running. Handy mare can sit closer from inside gate up in trip. Include. Spelled after last flop, so there may have been excuses. Handy fresh record. Likes the wet. Can run a race. Correct Choice Let-up (70-days). Late maturer really hit his straps last campaign. Trialled well a couple of weeks ago. Expect him to be strong late. Royal Toronado First-up (19-weeks). 6yo is usually better with racing, but good trial win has put us on notice.
