Race Preview: LIGHTSCAMERACTION looked a very unlucky loser on debut. She was denied what looked a certain victory but hopefully she goes through with her run this time around which she should with improvement expected. DESTREGA showed promise on her debut and should be a real threat yet again. KITANA'S JOY seems better than her last run and could contest the finish. BOLD SKITT showed improvement on local debut and could do even better this time.

Race Preview: BAD MEDICINE bounced back with a solid win over Wild Fig last month. He has won twice on this surface but is clearly at best on the turf. FIREALLEY is very consistent and from a good draw should fight out the finish. HOME REEF continues to be competitive and there has not been much between himself and BAD MEDICINE when they last met. It is hard to see the other entrants winning at these weights. WORLD CHOICE could be fill fourth position.

Race Preview: A weak race and CAPRANICA could prove to be the best of them. He is in good shape and can go one place better. GIMMETHGOLD seem better than the most recent performance and could get involved with the finish. STRAIGHT RED does his best work at the finish and is not out of it. SECRET ERUPTION could like this longer distance and must be respected as well.

Race Preview: GIMMETHATWORLD CUP has won his last two starts, including a wide margin win over this course and distance. He can score again. OBSIDIAN STAR has solid form in good fields and will not go down without a fight. JUST CARTER ran on well from off the pace last time out so is a threat. GLOBAL THRILLER represents a very much in-form trainer and jockey so must be respected.

Race Preview: ANOTHERDANCEFORME has only suffered defeat in two of her 13 starts. One of those defeats was last time out when unplaced at Hollywoodbets Greyville. She was sent out favourite to win but she was not disgraced. Unbeaten on the Polytrack she should beat these rivals. ZATARA MAGIC did too much too soon last time out when returning from a break. Fitter this time he is always a threat. LANCIAFIAMME is very consistent and should hit the frame again. ENCHANTING CHOICE continues to impress and is not out of it.

Race Preview: GOLDEN PALM clearly needed her last run. Fitter this time she is the one to beat. Stable companion SPICETHMAINBRACE does not always show her best side, but she is always capable of scoring, especially on this surface. SONG OF MYSELF is a decent sprinter and should be right there at the finish. GENOVEFA remain in good form and should be competitive.

Race Preview: WINTER IN LONDON makes his local debut in a race where he is giving his rivals chunks of weight. He can win for the Dean Smith-Oraig Zackey combination. WHATEVER NEXT has not won for some time now but did look unlucky last week and could be ready to pop up. WINTERONTHGREEN tackles tougher after her last win but is dangerous if allowed a soft lead. CAPE CAPRI seems better than a modest last run.

ICED MARMALADE made all last month over this course and distance and can follow up, but she does have a tricky draw. SPIRIT OF NICAL representing trainer Alan Greeff, and capable of scoring over this track and distance. BASINGSTOKE has done enough of late to be considered possible winner as well.

TRIP TO VENUS has been making steady progress and makes his debut over 2000m for the first time but it may be telling that Keagan de Melo has deserted Tienie Prinsloo's runner JUDICIARY has been a touch disappointing since making an eye-catching debut but he may be better suited to this trip. BOURBON'S BEAST is struggling to improve but has a place chance in this small field.

Race Preview: PREDATOR'S CROWN has yet to run a bad race in four starts and was close-up over the distance last time out. However, she does have the widest draw to contend with and will need some luck in running. YEAH BABY was a touch disappointing first up on the turf after two promising efforts on the poly. That last run may best be ignored. PANDORA FORT has been doing well in KZN and any market support could be telling. BLAZING BELLE should enjoy this step up in trip and her last run is best ignored.

Race Preview: WAR EMPEROR has not been far back since shedding his maiden and was not far off over course and distance from the widest draw last run. He gets the benefit of a claiming apprentice and can turn the tables on DANUBE who finished a length ahead at their last meeting and he is 2.5kg better off from a more favourable draw. FORT USHER is lightly raced and was a beaten favourite last time out. The Darryl Moore stable apprentice stays aboard and could be the pick of the stable runners. NILE THE BOSS is overdue another win. He only has 48kg to shoulder and the step up in trip will make her dangerous.

Race Preview: QUEST OF VALOR has been rested but took on feature company first run out of the maidens. He has a light weight and can go close. WAR REPORTER has come good at recent outings on the Highveld. He may prefer it a touch further but he has De Melo aboard who rode him to his last victory so should know the gelding well. PRIZED POSSESSION was a recent maiden winner at just his second start but had shown promise in useful company leading up to the win and can follow up. DRICUS is over his optimum trip and rarely runs a bad race. He has drawn well and will go close at best.

Race Preview: BEYOND ALL DOUBT is lightly raced and has shown up well against stronger since shedding his maiden. He has a wide draw and a big weight but may still be on the up. On the up is BANGKOK MAGIC who steps up in trip but both wins have come on the poly. The stable is on good form and if he takes to the poly he will be a big runner. BLUE STEEL is not the easiest ride but has the best of the draw and is more than capable on his day. RUN FOREST RUN was long overdue his recent win. He got a four-point raise in the handicap which could put paid to his winning chances.

Race Preview: GREEK HERITAGE won well second time of asking and was rested. She makes her comeback after a four-month break but steps up to a mile which suggests that the stable may think that she may be a little better than the opposition. SILVER SALUTE is seldom far off while PRETTY KARA has not been far off at recent outings and gets first time cheek pieces. One to watch in the market. ARCTIC FURY has been disappointing but only has 48kg to shoulder in a small field and can surprise.

Race Preview: MASTER DU ROUVRAY has made the step up on each occasion and can follow up although he does switch course. UZWANO franked the MASTER DU ROUVRAY form when winning next time out and they now meet at level weights. MOHAVE PRINCE is smart and has had the measure of UZWANO on two recent occasions. He has the best of the draw and will be a strong contender. CLEARATHERUNWAY come in with handy galloping weights and has strong winning chance.

Race Preview: Favourite on the day was ZENA ROSE and Duncan Howells has booked a non-claiming apprentice which could be telling. SPLASH OF LOVE has been close-up in three starts since her last win and with a useful claimer up she should be in the mix. HEAVENLY MAFIA has an almost identical record to SPLASH OF LOVE. Both step up in trip but Glen Kotzen's filly may be the better option. LA MADDALENA has been off form of late but only has 50kg to shoulder and can surprise.
