Race Preview: RAZZPATH REBEL outran market expectations when 2nd on debut over track and trip behind a fellow newcomer from the same stable. He would have benefitted from that experience and should improve to fight out the finish. THE KID made good late headway once the penny had dropped to finish 3rd on debut over 1000m and this extended trip should be more to his liking, especially with alumites fitted and that experience to count on. TENAREEF has been costly to follow but wouldn't be winning out of turn either. THEODORE ROOSEVELD has shown enough to make his presence felt too.

Race Preview: TIMELESS could hardly have been more impressive when winning on debut as a 2yo over 1160m. He's open to any amount of improvement over this extended trip on his reappearance. Fellow last-start winner RAPTOR KING also has scope to improve, having been gelded since last seen. Sparingly raced 4yo DAWSON'S ANVIL fits a similar profile so has to be respected. LIGHTINTHEWOODS has the form and experience to make her presence felt too.

Race Preview: STORM AVALANCHE showed promise in both starts as a 2yo behind subsequent Stakes performers, so won't need to improve after a layoff to make a winning reappearance. SCENTED ALLEY finished an encouraging 3rd on debut and should be competitive with that experience to count on. EMPRESS OF PEACE has also shown enough to play a role in the outcome. LAZER LIGHT complete the shortlist.

Race Preview: AFRICAN PRINCE has solid form credentials at higher levels off his current mark so should be a factor. However, preference is for newly turned 3yo FIERCENESS after a promising juvenile campaign. He is open to any amount of improvement on his reappearance after a subsequent gelding procedure. CONTINENTAL KING and PERIODIC TABLE are lightly raced and are 4yo geldings with scope to improve. Both have the form and experience to warrant respect.

Race Preview: PALACE PRINCE is unbeaten in 2 starts with a tongue-tie fitted. He was an authoritative winner of a similar contest over this trip last time and a 6-point penalty is unlikely to prevent him from completing the hat-trick. FIRE N FLAMES (2nd) and KING'S EXPRESS (4th) are weighted to pose more of a threat. Filly DRUMNADROCHIT is maturing and weighted to be competitive so should have a role to play too.

Race Preview: NARETOI landed a betting coup when bouncing back to form last time with a victory over this course and distance. GUERRILLA WARFARE (2nd) is better off on these revised terms and weighted to turn the tables. However, it could pay to side with progressive 3yo AIN'T NO DOUBT who has finished 2nd in both starts after gelding, the latest at this level off his current mark. Unexposed SPECIAL ENVOY wasn't disgraced last time over 1600m after a winning debut and is open to improvement over this extended trip.

Race Preview: CAMILLO CAVOUR ran on smartly to make a winning debut over 1200m on this track and the form of that race has been boosted by two direct subsequent winners, so it could pay to follow his progress. Last-start winner ELUSIVE RED remains competitive under a penalty, while ZIP CODE could pose more of a threat from a better barrier. Highveld newcomer INDUSTRIALSTRENGTH carries a big weight after a lengthy layoff but is respected in his first start for the stable.

Race Preview: Fillies SECRETARY BIRD is weighted to be competitive. She was last seen in a 2yo Grade 1 against male opposition and she could fare better under bottom weight on her 3yo debut. MAX THE MAGICIAN was 2nd in a Listed race last time with blinkers refitted so he should have a role to play with the headgear retained over this extended trip. QUICKFREEZE bounced back to winning ways in his latest outing and a 3-point penalty may not be enough to halt his momentum. SECRET CHORD is also in good form and will likely make his presence felt.
