GIMMETHEJACKHAMMER finished just over two lengths behind Ulez Camera on debut, watch for sharp improvement from this good-looking colt, he will be right there in the finish late. DISCO JET has been rested and gelded, he was beaten just over four lengths by Another Hero on debut, in hope that he doesn't need the run, he could finish amongst the places from a good draw. Race Preview: BIG CITY ROLLER finished like a train for second behind Spinnaker on the 2nd of September, the drop in trip to 1250m is not ideal, but he looks smart, he will be tough to beat in this field. CARDINAL KING could be anything, he did well to finish third on debut, even though he was a big price, he flashed up late to run a big race behind his stable companion, if he brings that run to the track again, he will go close to winning. CRACKER has been rested for 78 days, he showed good improvement from his first run into his second run, unfortunately the bad draw here will make life tough for him, he will be running on late.
