Race Preview: HIGHWAY CODE makes his local debut. He is trying the Polytrack and wears blinkers for the first time. He could prove a bit better than these rivals. SEATTLE GLOW is threatening a first success and will be doing her best work at the finish. Stable companion SILVER VISION needs to find a few lengths to score but can earn some minor money. WEEKEND IN ASPEN has run well in both starts and should be right there at the finish yet again.

Race Preview: BAI YULU only found one better in her local debut. This distance might suit her and she can go one place better. LADY LIMONCELLO may be better on the turf but she should be a real threat to these rivals. HARPA does appear a lot better than her last run would suggest and could make the frame. APPLES AND TEA has lacked a strong finish but is well drawn and can get involved with the finish.

Race Preview: LADY ELLIOT makes a long trip for this race. It will be her first taste of a Polytrack but she is consistent and can score. LOTUS SILK has taken a while to get used to this surface but her last win was solid and she may well follow up. LADY BOMBER is better than her last run would suggest and she needs to be included in all Pick 6 permutations. DESERT CLOUD is unreliable but not out of it.

Race Preview: SOUNDSOFSYMPHONIES was a wide-margin winner on this surface in his penultimate start. He has struggled on the turf in his other starts but perhaps his last run in a feature race is best ignored. He may well be ahead of his handicap rating. HONORINE'S GIMMIE broke a stream of placed runs with a winning turn last time out. He was given a positive ride that day and is capable of doubling up. CALL OF THE KAROO has struggled in three starts on this surface but could benefit from a change in trainers. WORDSWORTH is in good shape and would not be surprise winners.

Race Preview: ROAMING SPIRIT was well beaten off last time out but she jumps from a good draw and an improved run from her is very likely. IMAGINABLE did not show his best last time out but was a good winner before that and should be threat. SILVA CITY is not reliable and jumps from a tricky draw but is quite capable of winning a race of this nature. WAROFDYNAMITE looked the likely winner 200m from home last time and also deserves a winning turn.

Race Preview: MASTEROFTHEBAROQUE has clearly appreciated the step up in distance. There is no real reason to suggest he cannot pull off a deserved hat-trick. Race Preview: SAN QUINTIN remains at the top of his game and can score again. GARDEN SUN is carded to have run on Friday but does like this course and distance and could be a lively danger. OSMIUM likes the Polytrack and the last run is clearly worth ignoring. AMANZIMTEXAS packs a decent finishing punch and could have more wins in his tank.

VILA VICOSA is not reliable but has some solid wins of late and is clearly a real danger. So too, for that matter should be KING VISERYS if he turns up for this as he is also carded to run on Friday. Race Preview: BLOOD OF EDEN flew up from an impossible position last time out. Jockey Richard Fourie gets the ride this time and she can score if much handier this time around. ENDEARED found the distance too short last time out but does give weight away to all her rivals. She does finish off her races well and is not out of it. POINTER has made the trip from the Highveld and must be respected for that. POTENZA is in good shape and possible winners.
