Race Preview: **AOI HANAMICHI** Has won the last three starts impressively and is in peak form, making this runner tough to beat. **MARU MORI ACTIVE** Has recorded two recent wins over 1400m, showing excellent momentum and should not be overlooked. **SARASA CHALLENGE** Solid 1400m form suggests another competitive showing if finding slight improvement. **G T AGLEAM** Last-start defeat can be overlooked after three consecutive wins over 1400m and 1500m, and a return to form could bring another victory.
