Race Preview: NET ZERO is a Gimmethgreenlight filly who is making her debut. She has a tricky draw to overcome but does not need to deal with very strong opposition. FLYING SKITT has not been disgraced in three starts and should be a threat. MOETHEMONEYMAN makes a local debut and could show vast improvement. UNCUT GEM showed improvement last time out and can have more to offer.

Race Preview: MASTER MTOTO has a string of three decent runner-up performances in a row, all in decent races. Jockey JP van der Merwe gets his first ride aboard him and he should win. SLASH 'N BURN did beat that rival last time out and there is no real change in the weights so in theory he could do it again, but that rival should have plenty of improvement forthcoming. SYMBOL OF LOVE is talented but is returning from a lengthy break. SPEED RACER also returns from a break and could need this run.

Race Preview: TWICE A QUEEN is probably looking for further than this but does have stable jockey Richard Fourie in the irons and could score. Stable companion CAUTIONARY was not disgraced on debut in July and would not be a surprise winner. CAUGHTUBYSURPRISE and LYRICS AND SONGS are both battling to get out of the maiden ranks but have an opportunity to score.

Race Preview: RUSH GREEN proved just in need of his latest run. He will be fitter this time, is clearly talented and the one to be with. RHYDIAN returned to his best with a fine win last time out and can double up if in the same mood. Stable companion GLOBETONIC is always a danger, particularly when given a soft lead and that could be the case this time again. TASTE THE RAINBOW is capable of running well.

Race Preview: WAIT FOR ME has not been reliable in his career but he is best weighted and his last run was particularly encouraging. GLOBAL DRUMBEAT was pulled out of last Friday's race but is back and ready to make amends. Stable companion INTUITIVE SPIRIT ran well in a much better race than this last time out and would not be a surprise winner. GLOBAL SPEAK is unreliable but is not out of it.

Race Preview: BEL CANTO DREAM returns from a short break but has shown improvement for trainer Jacques Strydom and can score again. GIVETHATMANABELLS will be a threat if given another patient ride. TRAVEL MASTER has proven to be a danger when allowed a soft lead and he may well get that in this race. More was expected from CLARA LUME last time out, but she is best weighted so must be respected for that.

Race Preview: IONA CASTLE has not been at her best in her last two starts but looks likely to run a decent race this course and distance. GENOVEFA is well drawn and is course and distance suited but does give weight away to a lot of her rivals. KINGS AGAIN was not disgraced in a better race than this last time out but is not well drawn. MAKE BELIEVE remains in good shape and is clearly not out of it.

CARNIVAL is talented and quickened up well to win her latest start. She must be respected again. POWEROFPEACE let her supporters down last time but was not beaten by far and can be a threat once again. PRINCESS GOLDIE makes a local debut and could improve.
