However, a bigger threat will likely come from the newcomers so the betting should be closely monitored. THE LIVING YEARS and well-related FROM WINTER warrant respect before any market clues.

Race Preview: AFRICAN PRIDE bounced back to form when a good second over track and trip last time, and on that form should have the measure of Karate Kid. Stablemates ECHO CHECK and CATFISH are distance suited and remain competitive under penalties after career-best last-start victories. The latter was a wide-margin winner over 1200m but is even more effective over the shorter trip. East Cape raider MASTER MTOTO will enjoy reverting to turf so must be respected.

Familiar foe BISOU BISOU is 2kg better off, drawn better and has a fitness advantage so should pose a threat as a result. Runaway debut winner KINGS MOUNTAIN could be anything so warrants respect. Fellow last-start scorers GONE COLD could have more to offer over this extended trip so are also best kept onside.

Race Preview: INTO DANCING continues to improve and could do so sufficiently to confirm her superiority. FIRST WISH is better off at the weights with that rival on their 10 September clash and a 2-point penalty for beating male opposition recently shouldn't prevent another bold bid. TOMYRIS and RAHHABBA also have the means to get into the picture.

Race Preview: COSMIC SPEED was dropped out from the widest draw when a fast-finishing fifth in a 1450m Grade 2 last time so this extended trip from an inside gate will suit. I'M A FIREBALL was second from the front that day and should find the lead again from gate 1, though does have questions to answer over this distance. ZEITZ is at the top of his game and will be competitive with this track and its long run-in likely to suit. SPLITTHEEIGHTS isn't taken lightly.

Race Preview: SA Derby winner CURIOUS GIRL ran well in defeat under a big weight against male opposition on her seasonal debut. She is unbeaten in two appearances at this track, is distance suited and will strip fitter so is hard to oppose under the conditions. BELLEROPHON and POSITIVE ATTITUDE are proven stayers with the means to trouble the selection. UTSAAH has found her niche over staying distances but must raise her game to be competitive at this level.

Race Preview: CARE FORGOT made seasonal comebacks at Grade 2 level, will be more competitive in this grade. KING HARALD has run well in defeat at his level recently and should acquit himself competitively once more. MASTERSHIP was second over 1450m on his reappearance and will be better suited to this extended trip with that outing under his belt. Versatile PLEASE BE TRUE is at the top of his game and a 4-point penalty for winning last time isn't likely to halt his momentum.

Race Preview: DOG IN THE FOG justified strong market support when making a belated winning debut over 1000m. He is probably a lot better than his opening mark suggests so it could pay to follow his progress. PERIODIC TABLE was a game-in-defeat second at this level on his handicap debut and will play another leading role if repeating that effort under a resultant 6-point penalty. HIGHWAYMAN HARRY have the form and experience at this grade to trouble the principals, along with improving last-start winner EVENING PARADE can also get involved.
