Race Preview: **Golden Warrior** confirmed the improvement of his penultimate start over 2400m by winning over that trip last time and a resultant 3-point penalty isn't likely to halt his momentum over this extended distance. **Euphrates** and **Nuclear Force** are held by the selection on recent form but are proven over this trip and weighted to pose more of a threat. **Futurewolff** is unreliable but capable of getting into the picture.

Race Preview: **Cool Gambler** acquitted himself well in defeat over 1200m in his first start out the maidens after a break and this extended trip will be more to his liking. **Skitt Smiling** fits a similar profile after a good 4th from a wide draw over 1600m last time, so should have a role to play from an inside barrier. Consistent **Zip Code** and honest hard-knocker **Spy Story** are awkwardly drawn but could have a say in the outcome.

Race Preview: **Gertrude Gold** ran a great race on debut, she was unfortunately drawn wide and was green early, she flew late to finish five lengths behind African Kingfisher, with natural improvement expected, she will go close to winning. **Miss Arizona** disappointed terribly last time at skinny odds, she is clearly much better than that performance, if she bounces back to her best form, she will take lots of beating here. **Satin Black** improved nicely from her first run into her second run, the stable has booked the services of top jockey Richard Fourie, she will be right there in the finish. **Winterworldoflove** has been rested for 119 days, the blinkers have been fitted, if she brings her debut run to the track, she will be competitive at a decent price.

Race Preview: **Scented Alley** has been getting closer with each outing and could improve sufficiently over this extended trip to open her account. **Polly Plummer** wouldn't be winning out of turn after consecutive seconds, the latest over this trip with blinkers fitted (retained). **Trex On Fire** and **Alittlebitoflove** fit a similar profile, both have the form and experience to play leading roles.

Race Preview: **Cydonia** has run two lovely races in succession from bad draws, the yard is in terrific form at the moment, she will run a big race here at a decent price. **Hashtag Random** stayed on well to finish just over five lengths behind Sani Pass on debut, she will be doing good work late, watch her closely. **Mary Cassatt** has been rested for 144 days, she was last seen finishing third on the 23rd of June, her form is solid, she has a big winning chance in this field. **Ebury Street** she finished third and caught the eye on debut, she will love the step up in trip to 1200m, include her into all bets.

Race Preview: **Celtic Manor** and **Whatwillbewillbe** were rewarded for consistency with last-start maiden successes and the form of those victories has been franked by subsequent winners from both races, so both should remain competitive at this level. Well-related debut winner **Fire To The Stars** is open to any amount of improvement and is best kept onside, especially with his rider's 4kg allowance. **World Order** appeal most of the remainder.

Race Preview: **Future Runway** has been rested for 91 days, she was last seen running third on the 15th of August, in hope that she doesn't need the run after a small break, she will be super competitive in this field. **A Thousand Stars** found good betting support last time, she was beaten just under three lengths by Getorix Princess on the 17th of October, she will love the step up in trip to 1600m, watch her closely. **Be Rational** ran a fair race on the 21st of October, with 4kgs apprentice claim, she could sneak into the places. **Burnout** looks best of the rest, she could improve now that she steps up in trip for the first time.

Race Preview: **Tomyris** was 2nd in a Listed race over this trip last time and a similar performance under a 4-point penalty against male opposition could suffice. **Open Highway** bounced back to form with a good 2nd at this level recently and should be involved again off an unchanged mark. **Quickfreeze** is closely matched on that form so ought to be competitive too. **Royal Edition** is in good form and will likely be on the premises, though has a wide draw to contend with.

Race Preview: **Gentian** improved nicely from his first run into his second run, he stayed on well for third last time, the form of that race has worked out well, he should be competitive in this field. **Cardinal King** was beaten just over five lengths by Impose on the 1st of November, watch for sharp improvement now that he steps up in trip to 1600m. **Auguste Renoir** must have a big winning chance in this field, he did well to finish second behind Premier Winter last time, with some luck in running from a bad draw, he will be very hard to beat. **Waiting Game** never runs a bad race, he will be doing some good work late.

Race Preview: **Gimme A Fireball** is undefeated over this distance and was unlucky not to have finished closer than 5th in Grade 3 over 1400m. Highly rated **Turn It Up** was a well-performed and is open to further progress, so has to be respected on his reappearance following a lengthy layoff. Best weighted **Shadowfax** showed signs of a return to form last time and need only confirm that improvement to fight out the finish. **The Last Duke** has the form and experience at this level to also acquit himself competitively, especially after an encouraging last-start 2nd over the trip.

Race Preview: **Gallic Victor** has been costly to follow since relocating to the Highveld but run well in defeat at a higher level recently. He was a close-up 4th over track and trip two starts back and a similar effort off a reduced mark should suffice in this grade **Brave Waam** and **Winding Power** are better than their disappointing recent displays suggest and should have roles to play if bouncing back to earlier form. **American Beauty** is unbeaten over track and trip so will appreciate reverting to this distance, having been outrun late over 1600m last time.

Race Preview: **Coast Of The Sun** was gelded on the 8th of October, he won a super race on the 2nd of October, the yard thinks highly of this gelding, this will be his first run in the Western Cape, even though he takes on older horses here, he looks progressive and potentially very smart, he will be hard to beat. **Blind Date** needed his run back from a small break on the 7th of October, he stayed on well to finish just under two lengths behind Soho Heartthrob, he will be much fitter going into this race, watch him closely. **Better Man** finished fifth in last time, top jockey Richard Fourie gets the ride, he will be competitive on his best form. **Voorloopertjie** should be cherry ripe for this race, he will be running on powerfully late.

Race Preview: **Lightinthewoods** and **Impressive** ran well in defeat over track and trip recently and could fight out the finish with similar performances. Versatile **Boom Boom** has dropped to a competitive mark and is likely to have a say in the outcome from a favourable gate in her peak run. Last-start winner **Oh La Amour** is awkwardly drawn but warrants respect as the form of her maiden win has been franked.

Race Preview: **Jet Force** won the Grade 3 Matchem Stakes impressively on the 26th of September, he will be just off the speed early and he will be low flying at them late. **Questioning** has been rested for 111 days, he was last seen running fourth in the Grade 1 Mercury Sprint on the 26th of July, in hope that he doesn't need the run badly from a small break, he can absolutely win a race like this, include him into all bets. **Cafe Culture** won well on the 14th of October, he is honest and he tries hard, he will run a big race at a decent price. **Tenango** didn't have much luck in running last time, if he is anywhere near his best, he can certainly win a race like this.

Race Preview: **Rising Eagle** was touched off by a subsequent dual winner on his handicap debut 15 weeks ago over 1400m and won't need to improve much over this extended trip to make a winning reappearance as a gelding. Last-start winners **Aint No Doubt** and **Mount Darwin** remain competitive under resultant penalties so could trouble the selection. Class-dropper **Dawson's Anvil** is drawn widest but has shown enough to play a role in the outcome.

Race Preview: **The Cullinan** finished like a train for third on the 14th of October, that was his first run back after gelding, he will be much fitter going into this race, if the gaps open at the right time, he will be hard to beat. **Bolero** quickened up smartly to win a good race on the 7th of October, he was given six points for that impressive win last time, he looks progressive and he has a beautiful action, include him into all bets. **Impose** could be anything, he won a terrific race on debut beating his stable companion on the 1st of November, he is very well-bred, with further improvement expected from this good-looking colt, he will be right there in the finish late. **Gold Dust** was beaten just under three lengths on the 28th of October, the race didn't work out for him on that occasion, he could sneak into the places late.
