Race Preview: **YOU'RE MY ANGEL** was seen to be finishing off her race pretty nicely last time out and could like this course and distance. **LOLLY WILLOWES** is consistent and would not be a surprise winner returning from a short break. **TOTAL ERUPTION** is not reliable but did run well over this course and distance last week. **KITANA'S JOY** has some fair form and could make the frame.

Race Preview: **MARCHLAND** is unbeaten in five starts and there is every reason to think she will hit them for six. **GLOBAL THRILLER** has been very consistent of late and must be respected for that. **WO ZAI** makes a local debut and could fight out the finish with his stable companion. **GIMMETHATWORLDCUP** was an expensive failure last time out and has been best on the Polytrack but cannot be written off just yet and he is a threat.

Race Preview: A weak race and **FIRE FORCE** makes his local debut. He is a long-time battler but can win at this low level. **CAPRANICA** is a lot better than his last run and could benefit from having Richard Fourie in the saddle. **WITCHING HOUR** and **LUCA DA WHEELS** have all tended to lack a strong finish but could make the frame if at their best.

Race Preview: **GASLIGHT DANCER** has been a disappointment on the Polytrack. She is better judged on her two wins on the grass in her last two races on the surface. It is a tricky race and she has many dangers. **HONORINE'S GIMMIE** has very good form with blinkers and can make all the running. **VENTURA BOULEVARD** was tried in Group 1 company earlier this year so must have some ability and deserves the utmost respect. **DETAILED FORECAST** could be a threat with Andrew Fortune in the irons.

She has, however, run in better races than this and should be included in all bets. **IONA CASTLE** has been a disappointment of late but is also capable of winning a race of this nature.

This Dean Smith-trained runner returned to his best with a solid victory in the final leg of the Polytrack Challenge and can score again over distance that clearly suits him. **GUY GIBSON** is at his very best around this distance and can contest the finish. **ON TARGET** returns from a lengthy break and a change of trainers.
