Race Preview: **BLUE STORM RUNNER** has improved with each outing and posted a career-best 3rd last time so, with further progress expected, should fight it out. **WITHOUT REMORSE** has an earlier engagement but possesses the form and experience to play a leading role if taking her place. **CHEROKEE ROSE** should appreciate the drop in distance after failing to quicken over further last time. **SAVARA'S PRINCESS** have less scope for improvement but have shown enough to make presence felt.

Race Preview: **EASTWOOD** made marked improvement from his debut to his second start, and a repeat of his last-start course-and-distance 2nd could suffice. **CYRUS THE GREAT** debuted in the same race and has ground to make up but should get closer with natural improvement. Newcomer **AU CONTRAIRE** won't need to be special to have a say in the outcome, particularly if the market speaks in his favour. **SENDAI** recent is fair form and could also feature.

Race Preview: **MIDNIGHT SPECIAL** got going too late when a fast-finishing 2nd over course and distance last time. Fitter now, she won't need to improve much to go one better. Consistent **PITERAQ** is closely matched on that form and should have a say. **UNVARNISHED GOLD** was an improved 4th behind those rivals so could get involved if confirming that progress. Newcomers **GREEN GIFT** is bred to be useful, making market support worth following.

Race Preview: Well-bred **HUMILITY** caught the eye on debut, staying on from an impossible position to finish a creditable 5th over a sprint trip. Her pedigree suggests this extended distance will suit and she has considerable scope for improvement. **TREX ON FIRE** has the form and experience to be competitive, but newcomer **GLIMPSE OF HEAVEN** could prove a bigger threat, particularly if attracting market support. **SUN SEEKER** appeal most of the remainder.

A repeat could suffice. **TOP FLOOR** and **REPETITION** are held on that form but competitive nonetheless on these revised weight terms. **NARETOI** is in good form and should not be discounted, even from the widest draw.

With blinkers removed and a tongue-tie fitted, he should fare better off a reduced mark. **ART NOUVEAU** ventures beyond 2000m for the first time but her pedigree suggests she could remain competitive over this distance. She has the form and experience at this level to play a leading role, as does class-dropper **UTSAAH**, despite the latter's widest draw. **CORRUPT** is other seasoned campaigners with earning potential.

She is well-bred filly with scope for improvement after respective absences.

Race Preview: **HIGHWAYMAN HARRY** got up on the line to win a similar contest over this distance last time and a 2-point penalty shouldn't prevent another bold bid. **HEMISPHERE** is closely matched with that rival and could benefit from the weight turnaround. **PERIODIC TABLE** fluffed his lines in that contest but has more scope for improvement than most, so shouldn't be discounted. **EXOCET** could pose a threat dropping in class off a reduced rating, has a chance.
